I am listening to Mike / Peter on the products / R&D. Can we schedule for tomorrow if possible? Say 5pm your time?

Sushovan –

Further to our conversation today, I'd like to confirm the Finance Overview call for Monday at 9:00 am PST / 5:00 pm UK time (changing it from 4:00 pm as discussed before).

I'd like this to be an overview call so everyone from our team can get a baseline view into your financial profile. I will have a few people involved from our software finance organization, KPMG and potentially a representative each from the advisors. Maybe we can discuss tomorrow (Sunday) if you have any questions. I am reachable on my cell 415.297.3631.

Warm regards

Manish Sarin
